**Attention all who are
interested in women's
health:**

- **This film takes an honest, scientific look at the impact of abortion on women's health.**
- **It is especially unique in that it is directed by a 'pro-choice' woman, who works with a 'pro-life' executive producer and a 'neutral' producer.**
- **Together, they present an objective overview that honors ALL women and provides essential health information.**
- **Film will end at approximately 8:30 pm.**
- **There will be a 30 minute discussion afterwards for those who wish to stay.**
- **Snacks & refreshments will be provided.**

*****Free Admission*****
